

DEPARTMENT OF CHEMISTRY – IMPERIAL COLLEGE LONDON
FIRST YEAR CHEMISTRY 2011-2012

Yr1 TIMETABLE FOR WEEK ONE

Sat 1st October: Students general welcome.

17.00 Welcome/welfare talk – **G16, Sir Alexander Fleming Building.**

Sun 2nd October: International students welcome.

11.00 Reception – **Great Hall, Level 2, Sherfield Building.**

Monday 3rd October:

10.00-11.00 Collect Chemistry Induction Folders – **UG Student Common Room, Level 2, Chemistry C1.**

11.15-12.00 ChemSoc Presentation – **Lecture Theatre C & D, RCS1 Building.**

12.00-13.00 Buddy's Lunch - **UG Student Common Room, Level 2, Chemistry C1.**

13.00-14.00 Welcome Talk by the Rector – **G16, Sir Alexander Fleming Building.**

14.30-15.15 Group A1 (See Induction Folder) – Library Tour by Chemistry Librarian (Katherine Thompson) – Meet inside **Main Entrance, Ground Floor, Central Library.**

15.30-16.15 Group A2 (See Induction Folder) – Library Tour by Chemistry Librarian (Katherine Thompson) – Meet inside **Main Entrance, Ground Floor, Central Library.**

16.15-17.00 Group B1 (See Induction Folder) – Library Tour by Chemistry Librarian (Katherine Thompson) – Meet inside **Main Entrance, Ground Floor, Central Library.**

17.00-17.45 Group B2 (See Induction Folder) – Library Tour by Chemistry Librarian (Katherine Thompson) – Meet inside **Main Entrance, Ground Floor, Central Library.**

Tuesday 4th October:

All day Imperial College Union Freshers' Fair – South Kensington Campus.

Wednesday 5th October:

09.00-10.30 MATHS TEST – Group A in **Lecture Theatre C RCS1 Building.**

MATHS TEST – Group B in **Lecture Theatre D RCS1 Building.**

11.15-12.00 Introduction to 'Maths and Physics for Chemists Part 1' ancillary by Prof A Kornyshev on behalf of Prof John Seddon. *ONLY for students who have chosen this ancillary* – **Pippard Lecture Theatre, Level 5, Sherfield Building.**

12.00-17.00 Sport Trials etc.

Thursday 6th October:

- 10.30-11.30 Primary Induction – General Fire/Security/Occupational Health & Safety Induction Talks by Fire, Security, Occupational Health Centre & Safety Departments – **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 11.45-13.45 Collection of Chemistry Book Bundles and Chemistry Kits – **UG Common Room, Level 2, Chemistry C1**
- 14.00-15.00 Introduction to Computing Facilities. Network ID, E-mail access and introduction to the Chemical Information Technology Course (CIT) by Dr Andrew McKinley – **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 15.15-16.15 Welcome by Prof Tom Welton (Head of Department) and Prof Alan Spivey (Director of UG Studies). Welcome by Student Departmental Representative. Talk by May Langan OUP. Professional Skills Talk by Dr Joshua Edel. Talk by Dr George Britovsek (Senior Tutor) and introduction to your personal tutor – **Pippard Lecture Theatre, Level 5, Sherfield Building.**

Friday 7th October:

- 09.30-10.15 Introduction to 'Chemical Engineering Part 1' ancillary by Dr Andreas Kogelbauer. *ONLY for students who have chosen this ancillary* – **Chemical Engineering Room 252, ACE Extension.** [Point 14 on South Kensington Campus Map]
- 10.30-13.00 Basic Laboratory Safety Induction Talk by Jan de Abela Borg – **Pippard Lecture Theatre, Level 5 Sherfield Building.**
- 13.00-13.30 Introduction (All Groups) to the Foundation (course & laboratory) Dr James Wilton-Ely - **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 13.30-14.00 Introduction to Maths Labs by Prof Nick Quirke – **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 14.00-15.00 CIT Lecture 1 by Dr Andrew McKinley – **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 15.00-16.00 Lab Report Plagiarism Awareness by Ruth Harrison – **Pippard Lecture Theatre, Level 5, Sherfield Building.**
- 16.30-17.30 Introduction to Combined Degree – Chemistry with Languages – **Room 316 Sherfield Building.** Students registered on F104, F101, F1R1, F1R2 or F1R4 **MUST ATTEND.**

Attendance at all the above induction sessions is required - registers will be taken.

Monday 10th October:

- 12.00-12.30 Hazard Explosion Lecture by Dr J Wilton-Ely – **Pippard Lecture Theatre, Level 5, Sherfield Building.**

Monday 14th November:

- 10.00-11.00 Introduction to 'Medicinal Biology' ancillary by Dr E Tate. *ONLY for students who have chosen this ancillary* – **LT-D RCS1 Building.**
